- CUSTOM COLOURS

Hurricane Aluminium Shutters were originally designed to protect windows and doors from storms and high winds without compromising the aesthetics of a home.

These stylish shutters, made entirely from aluminium, are not only good to look at but are functional, durable, won't rust, are easy to clean and therefore come with a 10 year warranty. As with ShutterGuard®, the folding, louvred shutters will open up a room as well as control light, noise and temperature.
